COUNCIL WANTS PUBLIC COMMENT ON COUNTY EMPLOYEES' GROUP INSURANCE BENEFIT CHANGES

On Monday, July 23, the Management and Fiscal Policy Committee will allot time in its worksession to receive public comment on the proposed opportunity for retirees to re-elect their cost-sharing arrangement for group insurance benefits.

Although the Committee has arranged to hear from members of the Montgomery County Retired Employee Association, the comment period is also open to those who may not be represented by the Association.

Due to time constraints, the Committee will only be able to hear from a limited number of people. To express interest in participating, please call 240-777-7931 by the close of business Thursday, July 19.
